SELECTMEN'S REPORT

For the last three years we mentioned that the State of New Hampshire is addressing the school-funding problem. As you know, the issue is not resolved yet. This year could be more critical because Governor Benson wants to cut **ALL** costs at the state level. This could easily result in some more services being passed down to **the local taxpayer (YOU)**. We have already seen some changes in the area of the police department in that some services previously provided by the State Police or Sheriff's Department are no longer provided by them.

There are now two large groups of towns, the "donor" towns, and the "receiver" towns that are working together with the NH Municipal Association to try to forge a solution to part of the escalating costs of education. These increases in costs in education make the increase in health insurance seem very minor in comparison.

Please keep the pressure on the legislature to fix this problem once and for all. We now have 4 legislators in the NH House. Their names and phone numbers are listed at the bottom of page 4 of this town report.

The local school portion of our taxes was **\$12.19** in 2000.

The local school portion of our taxes was **\$13.62** in 2001.

The local school portion of our taxes was **\$18.18** in 2002.

We are anticipating the rate to be about **\$24.96** in 2003.

This is an astounding 105 % increase in just 3 years!

If the new school passes, we will easily see a local school tax rate of about **\$32.42** in 2004 which would be **30 % over this year's anticipated** rate and **166 % over the 2000 school rate**. We need to provide for the education of our children, but the very survival of homes and families in our town is now at stake.

We as selectmen are very alarmed at these kinds of increases when the cost of living for each of these years has gone up less than 3 % and the Social Security benefits has increased 1.4 % for the year 2003. Something is very wrong and needs to be addressed before everyone is taxed out of their homes.

Please vote very carefully on your school ballot.

How you vote **WILL** have a bearing on what your ultimate tax rate will be. **Your vote does count.**

It is the opinion of the Selectmen that to further cut school costs we all need to contact our Congressman, Rep. Bass, and our Senator, Judd Gregg, to take a hard look at the whole federal Special Ed Program to make improvements, to make better accounting and more accurate coding, and refinements to cut down on the terrific abuses that now exist. Secondly, we should seek full funding of the federally mandated program.

The town should also be aware of the fact that there has been legislation passed that requires each town in the State of NH to be "certified" by the year 2005. Even though the legislation has passed, the rulemaking authority cannot come to agreement as to how this will all happen in a manner which we, as towns, will accept. You will hear more on this as the process unfolds.

We are attempting to keep our overall tax rate from climbing any higher than necessary by holding the line on our local spending. Our operating portion of our budget is up only \$10,000 over last year's operating budget. In this budget are some "one time" expenditures for 4 of our departments which will enhance our operations now and in the near future.

We have made a major cut this year on our highway special projects budget this year to help offset the major school increase. If we can find a way to bring about a reduction in our school cost increases before town meeting, we will increase this funding somewhat at town meeting.

Last, but not least, Selectperson, Joan Miller has chosen not to run again this year for office. Joan started her continuous service for Gilsum in 1985. This reflects about 18 years of service to the town. For most of her term she was the selectmen's representative to the planning board. She produced the town report format on her home computer for many years until her computer died. Joan kept the selectmen's minutes for most, if not all of her time in this office. In addition, she served as the town's Health Officer. All the above was in addition to the hundreds of day to day operations and the making of decisions that come with this position.

We wish to applaud Joan for all the time and effort she put into this job.

Sincerely, The Selectmen

**THE STATE OF NEW HAMPSHIRE
THE TOWN OF GILSUM 2003 WARRANT**

THE POLLS WILL BE OPEN FROM 1:00 PM TO 6:00 PM

To the inhabitants of the Town of Gilsum, in the County of Cheshire, in said State, qualified to vote in Town Affairs: You are hereby notified to meet at the **GILSUM COMMUNITY CENTER** in said Gilsum on **Tuesday, the 11th day of March 2003, next at 1:00 PM** in the afternoon to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.
2. Are you in favor of the adoption of **Amendment # 1** as proposed by the Planning Board for the Gilsum Zoning Ordinance as follows:

To amend Article IV – Signs, the purpose of which is to establish standards for signs in all districts relating to size, number, placement and lighting, as presented at public hearing by the Planning Board?

The business meeting will be called to order in the COMMUNITY CENTER at 7:30 PM to act on the following subjects:

1. To see if the Town will vote to raise and appropriate the sum of five thousand dollars **(\$5,000)** to be added to the Town Library/Office Building Capital Reserve Fund established in 2000. *(The selectmen and the budget committee recommend this appropriation.) (Majority vote required).*
2. To see if the Town will vote to raise and appropriate the sum of five thousand dollars **(\$5,000)** to be added to the Fire Truck Capital Reserve Fund established in 2002 *(The selectmen and the budget committee recommend this appropriation.) (Majority vote required).*
3. To see if the Town will vote to raise and appropriate the sum of five thousand dollars **(\$5,000)** to be added to the Property Revaluation Capital Reserve Fund established in 2002 *.(The selectmen and the budget committee recommend this appropriation.)(Majority vote required).*
4. To see if the Town will vote to change the purpose and/or wording of the existing expendable Health/Retirement Trust Fund established in 1995 to become the Health/Savings Trust Fund. The Board of selectmen will continue as Agents to expend/administer this fund. *(The selectmen and the budget committee recommend this appropriation.) (2/3 Majority vote required).*

5. To see if the Town will vote to raise and appropriate the sum of **\$2,000** to be placed in the expendable Health/Savings Trust Fund established in 1995 for full time employees. The Board of Selectmen act as the Agent to expend/administer this fund. *(The selectmen and the budget committee recommend this appropriation.) (Majority vote required).*
6. To see if the Town will vote to change the purpose of an existing Reel Truck Capital Reserve Fund to be used to purchase and/or make a used reel truck for the same purpose. The Board of Selectmen will act as agents to expend this fund. *(The selectmen and the budget committee recommend this appropriation.) (2/3 Majority vote required).*
7. To see if the Town will vote to raise and appropriate the sum of twenty thousand, nine hundred twenty dollars (**\$20,920**) to conduct Phase I and Phase II for closure of the Gilsum Municipal landfill. This will be a non-lapsing appropriation per RSA 32:7,VI and will not lapse until this portion of the project is completed or by December 31, 2006, whichever is sooner. *(The selectmen and the budget committee recommend this appropriation.) (Majority vote required).*
8. To see if the Town will vote to raise and appropriate the sum of nine thousand dollars (**\$9,000**) to purchase a police vehicle. The expenditure of this money is contingent upon the David Ford dealership choosing our town to receive this vehicle. This will be a non-lapsing appropriation per RSA 32:7:7,VI and will not lapse until the police vehicle is purchased or by December 31, 2006, whichever is sooner. *(The selectmen and the budget committee recommend this appropriation.) (Majority vote required).*
9. To see if the Town will vote to raise and appropriate the sum of **\$374,624** which represents the operating budget. Said sum does not include special or individual articles listed above. *(The selectmen and budget committee recommend this appropriation.)*
10. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
11. To see if the Town will vote to authorize the selectmen to issue permits, without charge, for supervised activities held on town property. Said permits to include the erection of temporary structures.
12. To see if the Town will vote to authorize the selectmen to appoint a committee to take charge of the observation of "Memorial Day" and "Old Home Day".

13. To see if the Town will vote to authorize the Trustees of Trust Funds to open new funds that may arise during the year.

14. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town for any public purpose as permitted by RSA 31:19.

15. To see if the Town will vote to authorize the selectmen, at their discretion, to convey any real estate acquired by the Town by tax collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

16. To see if the Town will vote to authorize the selectmen to sell any pieces of non-real estate property, either by auction or private sale, said property to be advertised for three weeks prior to sale.

17. To see if the Town will vote to authorize the selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

18. **Whereas**, New Hampshire residents pay the 12th highest cost for insurance in the country, and **Whereas**, the cost of health insurance premiums for New Hampshire families has increased by 45 % in three years and now averages \$8,500 a yr.; and **Whereas**, 100,000 NH residents have no health coverage and 77% of them have a full-time worker at home; and **Whereas**, due to the rising costs almost half of NH's small businesses cannot afford health coverage for their employees, now, therefore be it resolved that we, the citizens of Gilsun, NH call on our elected officials from all levels of government, and those seeking office, to work with consumers, business, and health care providers to insure that: -Everyone in NH, including the self-employed, unemployed, un- and underinsured, and small business owners, has access to an affordable basic health plan similar to what federal employees receive; -Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system; -Every family and individual in NH receives high quality care that is cost efficient and medically effective; and -That these efforts help control the skyrocketing cost of health care.

19. To transact any other business which may legally come before this meeting.

GILSUM PUBLIC LIBRARY

Librarian's Report - 2002

The circulation figure for 2002 reached 2297. This was accomplished by borrowing 795 children's books, 1086 adult books, 345 magazines and 71 videos.

At the present time our shelves hold 9448 cataloged volumes. In addition we have approximately 150 books rented from book services. We subscribe to 25 magazines covering the subjects of crafts, cooking, quilting, gardening, health, birds, animals, country living, news, and current events. We have a varied video and audio book collection.

The library services for the town include a photocopy machine, the purchase of Gilsum post cards, mine maps, Gilsum history maps, along with the reprinted Gilsum History. Home Health Care and Community Service offer free blood pressure clinics along with flu shots at a nominal charge.

Weekly story time for children ages 3-6 is presented by Judy Malott on Wednesday mornings 10:00 -10:30.

Summer reading programs are always a fun time for young and old. This year we won the 4th annual Gilsum/Sullivan friendly reading competition by 73 1/4 pounds. Our ending celebration was an ice cream sundae party for all Gilsum and Sullivan participants.

Book donations are always welcome. Our warmest thanks to everyone who donated books to the library in the past year. Special thanks go to W.S. Badger Company for their generous contribution.

Lois Hastings resigned as a library trustee with more than 45 years of dedicated service. In recognition of her many years of service a reception was held and a plaque now hangs in the library establishing the "Lois Hastings New England History Section". We lost her as a trustee, but we still have her as a valuable volunteer. Thank you Lois. Sandra Reilly is our newly elected Gilsum Library Trustee. The library is saddened by the passing of Lois Wright, the former assistant librarian and trustee.

There is always the need for new patrons, so plan to visit your library soon. The hours are: Monday 12:00-4:00 and 6:00-8:00, Tuesday 6:00-8:00, Wednesday 12:00-4:00 and Saturday 10:00-12:00.

2. Are you in favor of the adoption of **Amendment # 1** as proposed by the Planning Board for the Gilsum Zoning Ordinance as follows:

To amend the Village Residential provisions by adding language that would allow nonconforming lots and structures to be considered conforming so that they can be used and re-used for permitted purposes without needing a variance?

Amendment # 1 Passed 88 to 41

3. Are you in favor of the adoption of **Amendment # 2** as proposed by the Planning Board for the Gilsum Zoning Ordinance as follows:

To amend the Village Residential provisions by allowing nonconforming lots of record to be changed in size or shape provided the alteration does not make the lot proportionally less adequate and that the lot shape or size would be consistent overall with other lots in the District?

Amendment # 2 Passed 91 to 46

The business meeting was called to order by Moderator Ernest Peter in the GILSUM COMMUNITY CENTER at 7:35 PM to act on the following subjects:

1. To see if the municipality will vote to raise and appropriate the sum of **\$56,000** for the purchase of a Tractor/Loader for the use of the Highway Department, and to authorize the issuance of not more than **\$56,000** of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. *(The Selectmen recommend this appropriation) (The budget committee recommends this appropriation) (2/3-ballot vote required).*

14. To see if the Town will vote to authorize the Trustees of Trust Funds to open new funds that may arise during the year.

15. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town for any public purpose as permitted by RSA 31:19.

16. To see if the Town will vote to authorize the selectmen, at their discretion, to convey any real estate acquired by the Town by tax collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

17. To see if the Town will vote to authorize the selectmen to sell any pieces of non-real estate property, either by auction or private sale, said property to be advertised for three weeks prior to sale.

18. To see if the Town will vote to authorize the selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

Judy Peter moved Articles 12-18 to the floor, seconded by Bill Whyte, there being no discussion Articles 12-18 were passed by a unanimous show of hands.

19. To transact any other business which may legally come before this meeting.

A brief question & answer period on various subjects including disaster relief, the village sewer system, the Historic Town Hall and the Old Home Day Committee's status in the town followed.

The main discussion focused on the Town of Gilsum supplying an insurance policy to cover all town and town residents and their functions at the Community Center.

A motion was made by Roger Weinreich for the Selectmen to look into an insurance policy & the costs thereof.

The motion was brought to the floor by Judy Peter and seconded by Robert Cook as passed by a majority show of hands, the Selectmen will look into any available policies and their costs.

The motion to dissolve was made by Louise Cook and seconded by John Calhoun. As passed by a unanimous show of hands, Moderator Peter dissolved the Business Meeting at 9:45pm.

**Respectfully Submitted,
Robin L. Reed, Town Clerk**

AUDITOR'S REPORT

I have completed the audit of the books and records of the Town of Gilsum, NH for the period ending December 31, 2001.

The purpose of this examination was to determine with reasonable assurance, that the financial information presented to the town was free from material misstatements and that the information presented fairly the financial activities of the Town.

My examination included such tests as I considered necessary to satisfy myself that the financial information provided to the residents of the town was free from material misstatements.

It is my opinion that the financial statements in the annual report of the Town of Gilsum, NH for the period ending December 31, 2001 present fairly the financial activities of the town.

Steve Ackerman
Town Auditor
Gilsum, NH

GILSUM VOLUNTEER FIRE DEPARTMENT AND RESCUE SQUAD

TO ALL OF THE RESIDENTS OF THE TOWN OF GILSUM, NH.

During this past year, 2002, the department experienced a 45% increase in the number of calls that the members responded to. The number of responses in all areas, except for mutual aid calls, showed increases.

The details of the total calls are as follows:

	<u>2002</u>	<u>2001</u>
Rescue	50	30
Fire	18	14
MVA'S	9	6
Mutual Aid	<u>4</u>	<u>6</u>
Total	81	56

The department applied for, but did not receive a \$200,000 Federal Grant that would have been used to purchase a Reel Truck to transport large diameter hose. This application was the results of our survey of the Town which showed a large number of dead end roads and long narrow driveways.

The department was able to complete the cleaning of the Frog Pond. The members would like to thank Harlen Maguire for doing the necessary work. The total cost for this project was \$1,580. Harlen Maguire donated \$580. with the fire department and the recreation commission each contributing \$500. to the project.

We continue to work on a number of various projects. The survey of the Town is nearing completion. We are planning to install a 6" dry hydrant at the Frog Pond during the summer and will be working on other water supplies as well. The landscaping at the station needs to be completed and we have a number of equipment conversions that require our attention.

You, as residents of the town can help the department in a number of ways. If you have not marked your residence with your 911 street number, please do so as soon as you can. If you have medical problems and are taking a number of different medications, please make a list of these medications and keep the list where it can be found by the rescue or ambulance crew. A good place to keep this list is on your refrigerator.

(Fire Dept report continued)

Effective January 1st, 2003 it became illegal to use **"BURN BARREL"** to dispose of household Trash. We have included a copy of an article from the January 29th, 2003 edition of the "Weekly Market bulletin" from the department of agriculture which explains the new law.

No More Burning

On Jan. 1 a New Hampshire law took effect that prohibits "barrel burning" of household trash anywhere in the state. It has been estimated that as many as 6,000 homeowners were still burning rubbish in 55-gallon drums in their backyards at the time the law took effect.

Studies show that a single such trash burner spews out more dioxin than a municipal incinerator serving a medium-size community. That's because the fire in the barrel doesn't reach high enough temperatures to destroy the harmful chemicals released by the combustion process.

The new law covers virtually all types of household trash, including food scraps. About the only open burning now allowed in the state is clean wood from brush harvesting or demolition, and that is only allowed by permit issued by local fire officials.

All the members of the department thank the residents and taxpayers of the town for their continued support.

The department was kept busy in 2002 with a lot of calls. We saw an increase in *Domestic calls* and *Motor vehicle accidents*. These types of calls take up a lot of man hours because of the procedures and work load that accompany them including many reports and court time. The department has budgeted for a Crimestar records management system that most towns in the area already use. This would help in the accuracy and appearance of records as well as save a lot of man hours. The Cheshire County Sheriffs department will be taking over 24 hour dispatch for all local police in March 2003. The new non-emergency phone number will be 355-2000. Please use this number if you need an officer and it is not an emergency. **For all emergency dial 911.**

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale

2002 Annual Report

In January the large print order of The Ashuelot River Corridor Management Plan arrived, along with about one hundred copies of the Ashuelot River Atlas. Those were distributed to local boards of selectmen, and conservation commissions. A second order finally arrived in June, and those were distributed to every planning board and town library in the watershed. Also at that time multiple copies of the Ashuelot River Atlas were distributed to each elementary, middle, and high school in the watershed, to the best of our ability. Further distribution to town halls was accomplished at the same time.

The volunteer monitoring program expanded to a five-month effort, with sampling being conducted once per month from May through September. Analyses were done for *E. coli*, pH, total phosphorus, dissolved oxygen (DO), turbidity, conductivity, copper, and chloride. Air and water temperatures; DO, and pH were measured in the field. The City of Keene donated lab services for *E. coli*, chloride, and copper. Samples were transported to the NHDES lab in Concord for the phosphorus tests. Problems with apparent sewage pollution (bacterial counts), and high total phosphorus were observed, mostly from Keene downstream. Sporadic low DO and high turbidity problems were also found in Keene. ARLAC, with the assistance of Americorps volunteer Rebecca Caswell, secured a \$5000 grant from the Connecticut River Joint Commission. This funded payment for the phosphorus tests and the purchase of our own water quality monitoring equipment for next year.

Public education and awareness efforts were expanded, partly by featuring the monitoring results in local newspaper articles, and partly via several radio interviews, some aired statewide. An end-of-year presentation and discussion of results for all volunteers and several other interested citizens was held in November at the Keene Library.

Review of various NH Wetlands permit applications continued all year long, and ARLAC lent its support to several *ad hoc* projects, e.g. the NHDES Ashuelot Pond Drawdown Study, Instream Flow regulations, the Isinglass River nomination into the NH Rivers program, and the Winchester dam removal.

The Winchester downtown dam was removed during the summer, providing fish and other fauna dam-free access to ten more miles of the Ashuelot. Combined with last year's removal of the McGoldrick dam in Hinsdale, this should place the Ashuelot first in the state in this category. The application for removal of the Homestead dam in West Swanzey was withdrawn temporarily, pending completion of further studies relative to the effects of such removal on the nearby covered bridge. Historical and well-impact issues, among others, remain.

The Committee meets monthly on the third Tuesday evening in the Keene Public Library, entertaining several presentations a year for its own education and information.
